Amazon ML Challenge 2026

Hi **Pranav Gawai**,

The wait is finally over!

We are excited to share the **Problem Statement for the Amazon ML Challenge 2026** with you. Please find the problem statement attached and go through it carefully, including all the requirements, guidelines, and submission details.

- **Problem Statement** - [Click Here](#)
- **Guidelines** - [Click Here](#)

Please make sure to go through the problem statement carefully and review all the requirements, guidelines, and submission details before getting started.

Have a Question?

If you have any queries or need clarification regarding the problem statement, you can submit your questions through the Google Form below:

Query Form - [Google Form Link](#)

You can also check the response sheet directly to view the responses and clarifications shared by the Amazon leaders:

Response Sheet - [Click Here](#)

The clock starts at midnight - good luck, and happy coding!

Best of luck to all the teams. We can't wait to see what you come up with!

Best Regards,
Team Amazon
